Best Practices of DSB International Public School, Niwarsi, Ladwa, Kurukshetra

1. Introduction

DSB International Public School, Niwarsi, Ladwa, is committed to providing holistic education through innovative teaching-learning methods. The school believes in nurturing global citizens who are disciplined, responsible, and environmentally conscious. The environment of the school is student-friendly, inclusive, and promotes overall development — academic, emotional, and social.

2. School Environment

- The school provides a safe, clean, and eco-friendly environment for students and staff.
- Green campus initiative — Trees and plants are maintained in every corner of the campus.
- Classrooms are well-ventilated and technology-enabled, ensuring effective teaching.
- The school promotes respect, empathy, and teamwork among students.
- No discrimination policy — Every child is given equal opportunity to learn and grow.

3. Community and Social Involvement

- The school regularly organizes Community Outreach Programs, such as visits to old-age homes and cleanliness drives under Swachh Bharat Abhiyan.
- Parent-Teacher Collaboration is encouraged through regular meetings, workshops, and orientation programs.
- Students participate in social awareness campaigns — traffic rules, say no to plastic, save trees, and respect the community helpers.
- The school also contributes during social causes like donation drives and health awareness camps.

4. Water and Environmental Conservation Practices

- Rainwater harvesting system is in place in the school to conserve water.
- Water audit and regular leak checks are done to avoid wastage.
- Awareness campaigns like “Jal Hai to Kal Hai” are organized.
- Students are encouraged to bring water in reusable bottles instead of disposable plastic bottles.
- The school also practices waste segregation and composting.
- Plantation drives are conducted on special occasions like World Environment Day and Earth Day.

5. Innovative Teaching Pedagogies

- Teachers adopt Activity-Based Learning (ABL), Experiential Learning, and Play-Way Methods
- ICT-enabled classrooms — Smart boards and digital resources enhance learning experiences.
- Regular STEM-based activities, project work, and experiments encourage scientific temperament.
- Teachers focus on inclusive education, catering to different learning styles.
- Continuous Comprehensive Evaluation (CCE) is used to monitor students’ progress.
- Peer learning, group discussions, and storytelling sessions are part of the teaching strategy.

6. Best Co-curricular and Extracurricular Practices

- Daily assemblies promote moral values, confidence and leadership.
- The school offers sports like football, archery, basketball, shot-put and is about to extend horse riding.
- Music, dance, art, and craft clubs promote creative expressions.
- Special events like Literary Week, Science Exhibition, Yoga Day, and Cultural Fest help in overall personality development.
- Students are encouraged to participate in Olympiads and Inter-School Competitions.

7. Teacher Development Initiatives

- Teachers attend training workshops for up-gradation of teaching skills and modern pedagogy.
- Teachers regularly go through reflective journals and circulars of the CBSE.
- Peer observation and sharing of best classroom practices among teachers are promoted.

8. Achievements and Recognition

- Students have achieved distinctions in Olympiads and Inter-School Competitions, Sports and otherwise also.
- The school has been recently granted affiliation up to the Senior Secondary Level by the CBSE, reflecting its commitment to excellence.
- Active participation in eco-friendly and social initiatives has earned appreciation from the local community.

DSB International Public School, Niwarsi, Ladwa, Kurukshetra continuously strives for excellence through innovation, discipline, and dedication. The school's best practices from eco-conscious initiatives to modern pedagogy create a learning environment where every child flourishes with confidence, compassion, and creativity.
